FEATURE PROGRAM Christmas at Casa Sale Prep

Details: Wednesday, November 13, 2019, Casa Textile Studio, 7-9 pm

We are planning on making fancy tissue paper and getting tissue paper and bags ready for wrapping "sold" items at the sale. Some of you may remember doing this a few years ago. It was so much fun and a great way to mix and mingle with other guild members.

We are also planning on bagging and pricing some of the beads made last month in "sets" for the sale. Preparing tissue paper and bags for the sale.

Theme for 2019/2020: *Repurposing*

Volunteer Opportunities

We are currently looking for volunteers to assist with our Christmas at Casa sale, upcoming Galt Museum Programs and to join one of the committees.

Member Profiles for Sales

Many times, at past sales, customers have asked for information about the maker of the item they are buying. We would like to help our customers by posting short bios of our members. They will be posted on the cupboard doors nearest the sales table. We ask each of you who plan to sell items to submit a bio, along with a photo if you choose to Carol (carols.60@gmail.com) as soon as possible. The bios will be printed up and laminated.

What to include?

- where have you acquired your knowledge to date - classes, books, art school, university, etc.
- what mediums have you mostly worked with
- what is your passion currently
- and anything you feel pertinent to your bio
- Photo of yourself

Some textiles admired at our field trip to Dirk's house in Calgary.

Members are encouraged to bring some work to each meeting and program, whether it is a completed piece or in the progress of discovery
